**The Jewel Dunn's River Beach Resort & Spa Receives 2011 Expedia®
Insiders' Select Award**

Only 21 hotels in the Caribbean received this award this year.

OCHO RIOS, Jamaica (August 23, 2011) – The Jewel Dunn's River Beach Resort & Spa was recently chosen as an Expedia Insiders' Select 2011 Hotel, one of Expedia's top-ranked properties.

The Insiders' Select list formally recognizes individual hotels worldwide that consistently deliver excellent service, a great overall experience and a notable value. The full list represents only 500 of Expedia's top-ranked hotels selected from the more than 130,000 properties offered by Expedia, the world's largest online travel company.

The 2011 Expedia Insiders' Select™ list is compiled based on the more than 500,000 annual guest reviews collected by Expedia, combined with a value rating and the local market expertise of more than 500 Expedia employees in local markets worldwide, resulting in an easy-to-browse list that provides travelers with a powerful way to find the perfect hotel using the trusted insight of other travelers like them. The list showcases the diverse selection of travel destinations and hotel properties, and only 21 Caribbean hotels received the award this year.

The all-inclusive adults-only Jewel resort underwent an extensive renovation last summer and opened in September 2010. Located just moments from one of Jamaica's top attractions, Dunn's River Falls, The Jewel features six dining options ranging from beach casual to white-glove formal, two epic swimming pools and whirlpools, a full-service hair and nail salon, a selection of bars and a beautiful beach with daily activities such as beach volleyball, kayaking and more. When the sun goes down, the Caribbean night comes alive with beach parties and live entertainment, or opt for a romantic candlelit dinner served in a private gazebo or under the stars on the white-sand beach. The Jewel delivers a luxury vacation unlike any other.
