

The Jewel Dunn's River Beach Resort & Spa in Jamaica celebrates its 1st Year Anniversary

OCHO RIOS, Jamaica (September, 2011) – Ever since The Jewel Dunn's River Beach Resort opened its doors to the public, vacationers and couples celebrating weddings, anniversaries and other special events have made memories here. In September, The Jewel got to celebrate its own anniversary and reflected on a year of remembrances and successes with a grand gala.

The one year anniversary celebration took place at the property with delicious food and a great crowd. Notable guests included Tourism Minister Ed Bartlett, Speaker of the House of Representatives Marisa Dalrymple-Philibert, Senator Noel Sloley and entrepreneur/owner of Shaw Park Beach Hotel Ernie Smatt.

The Jewel has a lot to be thankful for just one year into its existence. The Jamaican resort's first year brought great reviews from guests

around the world, a strong occupancy record and a dedicated fanbase. The Jewel also received important industry awards such as Expedia's Insiders' Select Award, 2011 Outstanding Customer Service Award by Thomas Cook from Canada and a recognition for being one of the resorts to offer the most outstanding quality, customer service, and product delivery by MLT Vacations.

The Jewel looks forward to its second year with great anticipation and invites you to make its second year just as great as its first.
